

CRITICAL THINKING

Analyze and Critique:

- I can show if I like something or not
- I can identify criteria that I can use to analyze evidence
- I can analyze evidence from different perspectives
- I can reflect on and evaluate my thinking, products, and actions
- I can analyze my own assumptions and beliefs and consider views that do not fit with them

Question and Investigate:

- I can explore materials and actions
- I can ask open-ended questions and gather information
- I can consider more than one way to proceed an investigation
- I can evaluate the credibility of sources of information
- I can tell the difference between facts and interpretations, opinions, and judgments

Develop and Design:

- I can experiment with different ways of doing things
- I can develop criteria for evaluating design options
- I can monitor my progress and adjust my actions to make sure I achieve what I want
- I can make choices that will help me create my intended impact on an audience or situation
