

# SOCIAL RESPONSIBILITY

## Contributing to community and caring for the environment:

- With some support, I can be part of a group
- I can participate in classroom and group activities to improve the classroom, school, community, or natural world
- I contribute to group activities that make my classroom, school, community, or natural world a better place
- I can identify how my actions and the actions of others affect my community and the natural environment and can work to make positive change
- I can analyze complex social or environmental issues from multiple perspectives. I can take thoughtful actions to influence positive, sustainable change

## Solving problems in peaceful ways:

- I can solve some problems myself and can identify when to ask for help
- I can identify problems and compare potential problem-solving strategies
- I can clarify problems, consider alternatives, and evaluate strategies
- I can clarify problems or issues, generate multiple strategies, weigh consequences, compromise to meet the needs of others, and evaluate actions

## Valuing diversity:

- With some direction, I can demonstrate respectful and inclusive behaviour
- I can explain when something is unfair
- I can advocate for others
- I take action to support diversity and defend human rights, and can identify how diversity is beneficial for my community, including online.

## Building relationships:

- With some support, I can be part of a group
- I am kind to others, can work or play co-operatively, and can build relationships with people of my choosing
- I can identify when others need support and provide it
- I am aware of how others may feel and take steps to help them feel included
- I build and sustain positive relationships with diverse people, including people from different generations
