

Learning for Understanding (A-M-T)

Use this worksheet to plan the learning events for your unit.

Unit Topic:

Acquisition List the relevant knowledge and skills.	Meaning List the key understandings (principles and strategies).	Transfer List the desired transfer applications.
What discrete knowledge and skill must learners acquire?	What understandings (big ideas, organizing principles, and strategies) should the learner internalize?	What long-term accomplishments do we want learners to be able to achieve on their own?
